State to hold help Session for Randolph County's Union City Body Workers

INDIANAPOLIS, Ind. – The Indiana Department of Workforce Development will hold informational sessions **tomorrow** for workers at Union City's Union City Body.

However, UCB workers targeted for layoff may take over a similar position at Workhorse Custom Chassis, the company's sister plant. As a result, any affected Workhorse Custom Chassis employee may attend either orientation session.

Workforce Development staff will be on hand to provide information and answer questions about services available through the federal dislocated worker program and the Trade Adjustment Assistance program as well as to provide assistance in securing other employment.
